OPEN HOUSE

Seattle
Department of
Transportation

We've been reviewing and updating our Healthy Streets across Seattle based on community use trends and public feedback. For the High Point Healthy Street we plan to remove the Healthy Street designation for some of the route while making another section permanent.

Removal: Segments B, C, and D will be removed and will return to neighborhood greenway only.

Permanent: Segment A on 34th Ave SW is proposed to become a permanent Healthy Street. We plan to install permanent signage with a concrete block base and new painted curb space around it at each intersection.

Healthy Streets are closed to pass through traffic, but open to people walking, rolling, biking, and playing. People driving who need to get to homes and destinations along Healthy Streets are still able to drive on these streets.

TELL US WHAT YOU THINK

We want your feedback about this proposal. Tell us what's working well and what could be improved on the streets in your neighborhood.

Join us for an in-person open house

We will have food to share and staff will be available to listen to your feedback.

WHEN

Tuesday, June 27 | 5:30-7 PM

WHERE

High Point Neighborhood House,
6400 Sylvan Way SW, Room 207
